SUPPLEMENT TO
REPORT NO.

1. The Soviet Embassy in Rome has reportedly received orders to reorganize their press office on a new basis.
2. In this connection, according to source, the press office "will soon become a large well-equipped office with numerous personnel and functions much more complex than what it has had up to now. This is necessary in order to face, with better means, the propaganda battle which must be fought in relation to the new phase of the international situation which was created by Italy's adherence to the Atlantic Pact."
